INVESTMENTS**

Established UK Based Asset Management Company Providing Short-Term Commercial Lending.

## FRACTIONAL LENDING

Starfortis offers fractional real estate investments, providing access to institutional-grade loans like bridging and working capital. This approach lowers the barriers to entry, enabling smaller investors to collectively fund larger commercial loans.

## STARFORTIS BRIDGING

Starfortis Bridging provides bridging finance to purchase value-add projects. Such as the purchase of vacant commercial buildings with planning in place for residential conversions.

## HOW WE LEND

- ❖ Our Security Trustee holds all property in trust for our lenders.
- ❖ They take a 1st legal charge and company debenture.
- ❖ We provide commercial bridging loans to purchase Value-Add projects.
- ❖ Underwriting multiple secured loans to provide diversification.
- ❖ We do not provide development loans for construction.
- ❖ We do not lend to unconsented planning projects.
